

# Client Sketch

Knowing who you serve empowers you to formulate, create, and deliver the right products and services at the right time to your ideal clientele.

## Getting the 411

### Who am I solving problems for?

Women overwhelmed and feeling paralyzed therefore unable to complete projects and errands in their personal lives.

### Where are they living and spending their time?

These individuals live within a 50-mile radius of my location and spend their time on IG, FB and TikTok

### What is their motivation to hire me?

They need their projects completed by a certain date and their errands ran at specific times. Time constraints are too tight to get it all done.

### Why do they need me?

My services are guaranteeing them on time delivery and completion while also being budget friendly. Financially affordable without the loss of quality.

### When do they need my services?

From scheduling of reoccurring commitments, to within a few days and even last-minute time frames. Now, tomorrow and next week.

### How do I make a difference with them?

After using my services, my clients notice a decrease in stress and an increase in their own productivity. They are more focused and effective in their own responsibilities.

## My Solutions for Their Pain

### Affordable

Prices everyday people can afford without breaking the bank, all while ensuring we are not skimping on quality.

### Reliable

My team is dependable, friendly, communicates effectively and shows up 100% of the time.

### Available

We are committed to serving our clients when they need us, 7 days a week 6am thru to 9pm. Prescheduled or last minute requests.

### Trustworthy

Our team members are all vetted with background checks to ensure your confidence and security.
